Background Data Inc. Footnotes

(a) Fees levied by governmental agencies, courts, schools, employers, and third party vendors who have been retained to respond to requests for verifications of education and employment for searches undertaken will be passed through to Subscriber in addition to the fees charged by Background Data Inc.. Such fees include case copies associated with records found.

(b) Each AKA/Alias name constitutes additional searches which will be billed at a la carte pricing.

(c) Certain states levy fees for motor vehicle records, which will be passed through to Subscriber in addition to the fees charged by Background Data Inc..

(d) Charges incurred for using Third Party or Out of Network Collection Facilities, One-to-One Setups, Emergency Services, and Unclaimed Drug Tests will be passed through to subscriber in addition to the fees charged by Background Data Inc..

(e) All records generated by this product are "possible records" and are not confirmed to be the records of the applicable Applicant. To ensure that records returned by this Directory are accurate, current and complete, Subscriber must verify each record at the applicable source courthouse. If requested by Subscriber, Background Data Inc. will perform follow-up records searches at the applicable source courthouse(s), and all such follow-up searches will be billed to Subscriber at the applicable a la carte rate.

(f) Returns names and addresses associated with the applicants Social Security Number. This can be used as a starting point to ascertain which counties, states, and names should be used in other record searches.
